

# better facilitation

*equipping you to cultivate understanding, buy-in and aligned action  
among diverse stakeholders*

This mentoring package includes the following:

- Participate in Better Facilitation **Workshop**. The Workshop includes exploring the four keys to a successful facilitation and the four attributes of outstanding facilitators. It also provides participants with a workshop preparation checklist.
- One-on-one session to **design** and prepare for a participant led workshop.
- **Observation**: I will sit in and observe your work as appropriate.
- One-on-one **evaluation** and future planning session

*I believe in the power of collective intelligence and creativity and have spent a lifetime bringing people together to explore how to live and work better.*

*I have distilled what I have learned from facilitating groups as diverse as public community engagement meetings to invitation-only black tie CEO dinners with Nobel Peace Prize winners into package, designed to help you improve the practise of this crucial 21<sup>st</sup> century leadership skill.*

*If you would like to get better at facilitation (and get inspired to facilitate better things!), then I'd love to work with you.*

**Pricing:**  
Workshop: \$650 / \$550 earlybird (all inclusive)

(next workshop Melbourne 20/02/2014)
